

GULF OIL APPOINTS NEW TERRITORY SALES MANAGERS

Gulf Strengthens Resources in Gulf Coast and Mid-Atlantic Markets

Wellesley Hills, Massachusetts – June 6, 2017 – Gulf Oil is pleased to announce and welcome the addition of two Territory Sales Managers to the Branded Sales team to further develop their growing portfolio.

Barry Dickerson comes with a wealth of experience within the industry, having spent the last 26 years in various sales roles throughout the business including Renewable Energy Group, Inc. and Alon USA Energy, Inc. Barry joins Gulf as a Territory Sales Manager to continue the company's recent supply expansion into the states of Texas, Louisiana, Arkansas and Oklahoma.

Gulf also welcomes Gary Houghtaling to the sales team as a Territory Sales Manager charged with growing and supporting the Mid-Atlantic market. Gary brings over 36 years of sales experience in the industry to the team, including his most recent role at PAPCO as Territory Sales Manager, Branded Fuels. Coupled with his experience at Griffith Energy, Gary's extensive industry background will allow him to transition smoothly into the new role with Gulf.

"We are thrilled to have Barry and Gary join our team and expect they will continue the strong momentum we have built in their territories," said Meredith L. Sadlowski, Senior Vice President of Branded Sales and Marketing. "As Gulf continues to grow, their experience and expertise are exactly what we need to expand our supply offerings in these markets."

With increasing supply availability and new, innovative programs such as Gulf Pay, demand in the market for the Gulf brand is rapidly increasing. The two additional team members bringing over 50 years of combined experience will solidify Gulf's position in the marketplace and support customer growth goals throughout these geographies.

About Gulf Oil

Gulf Oil is a diverse refined products terminaling, storage and logistics business and a leading distributor of motor fuels in the United States. Gulf owns and operates a network of 17 terminals with over 14 million barrels of refined product storage capacity. With its premier terminaling and logistics platform, Gulf has access to the Mid-Continent, Gulf Coast and the New York Harbor supply hubs, which translates into competitive and diverse supply options for customers.
